

## **Faceshield & Headgear Overview**

- The AS1200HAT is a weight balancing Arc Flash Protection Face Shield
- ATPV rating of 12 cal/cm<sup>2</sup>
- HRC 2

The face shield unit includes ventilation ribs that allow a natural convection air flow through the top of the face shield. This reduced fogging of the visor, lowers CO<sub>2</sub> levels and improves comfort for the user.

## **Features**

-
